

# Energy Plug Technologies Corp. Announces Officer Update

Vancouver, British Columbia--(Newsfile Corp. - July 2, 2024) - Energy Plug Technologies Corp. (CSE: PLUG) (OTCQB: PLGGF) (FSE: 6GQ) ("Energy Plug" or the "Company") announces the resignation of Jan Urata as Corporate Secretary of the Company, effective June 26, 2024. The Company would like to take this opportunity to thank Ms. Urata for her valuable contributions during her tenure. Going forward, Connie Hang, the Company's CFO, will take on the role of Corporate Secretary, in addition to her role as CFO.

## **About Energy Plug Technologies Corp.**

Energy Plug Technologies Corp. is an energy technology company, dedicated to innovation and sustainability. With a focus on assembling customized Lithium Iron Phosphate Battery packs, we cater to a diverse range of residential, commercial, and industrial storage needs. Our goal is to advance battery technologies to enhance energy management and grid resiliency. Based in British Columbia, we seek to leverage strategic partnerships with local Indigenous communities, and the development of a vertically integrated supply chain involving industry-leading companies in Taiwan to provide advanced solutions to our customers and partners. For more information about Energy Plug, visit our website at <https://energyplug.com>.

## **Forward-Looking Information**

*This news release contains forward-looking information within the meaning of applicable securities legislation. Often, but not always, forward-looking information can be identified by the use of words such as "plans", "will", "proposes", "expects", "seeks", "estimates", "intends", "anticipates" or "believes", or variations (including negative and grammatical variations) of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. This information and these statements, referred to herein as "forward-looking statements", are not historical facts, are made as of the date of this news release and include without limitation, statements regarding discussions of future plans, estimates and forecasts and statements as to management's expectations and intentions with respect to, among other things: the Company's financial condition and future plans do not change as a result of unforeseen events.*

*These forward-looking statements involve numerous risks and uncertainties and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things: the state of the financial markets for the Company's securities; the Company's ability to raise the necessary capital or to be fully able to implement its business strategies; and other risks and factors that the Company is unaware of at this time.*

*Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that forward-looking statements contained in this press release are made as of the date of this press release. The Company disclaims any intention to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.*
